

SPOKANE VALLEY
Seventh-day Adventist Church

October 5, 2009

To Whom It May Concern:

I've known Richie and Timi Brower for 10 years. They are currently members here at our church. Richie and Timi are solid Seventh-day Adventist Christians and regularly contribute in ministry at our local church. Richie and Timi have preached from our pulpit. They assist in our children's ministries Sabbath school. They are our Family Life Leaders. Richie also was our coordinator for the Journey to the Cross event last April.

I would highly recommend them to speak anywhere in our Union and have no reservations about their qualifications, theology, or testimony.

Please contact me if you have any questions.

Thank you!
